Three Sisters

$835,000

Best Layout & Best Location in the Complex! Like new and thoughtfully designed, this is the more desirable and functional layout in the complex. A stunning 2-bedroom, 2-bathroom end-unit townhome offering the perfect blend of comfort, style, and mountain living. This home is located on the highest elevation point of the complex providing it with more natural light, views, and privacy than any other 2nd floor unit. Built in 2023, the home feels fresh and modern. Its 9 foot ceilings allowing an abundance of sun light to pour in through the expansive tall windows which frame breathtaking mountain views, as well as brighten the main living space from morning to evening. Step inside to discover an ideal open-concept layout centered around a spacious kitchen with an impressive amount of counter space--perfect for entertaining, cooking, or simply gathering after a day outdoors. The living room invites you to unwind beside a cozy gas fireplace, while still feeling connected to the surrounding landscape through its wall of windows. One of the home's standout features is the large, south-facing deck--an inviting outdoor extension of your living space where you can soak in sunshine and panoramic views. With direct stairs access from the deck to an adjacent green space, the connection to nature is seamless and immediate. Ideal for a pet!The home also includes a rare one-and-a-half-ca...
