Wilden

**\$1,495,000**

This Step 4 energy-rated home in Wilden stands out for its exceptional build quality, thoughtful design, and high-performance features. Offering 3 bedrooms and 2 bathrooms on the main level--a rare and highly desirable layout for families--plus a flexible bonus room or office on the lower level and a large 1-bed legal suite, the floor plan delivers versatility without compromise. The interior is defined by 9-ft ceilings on both levels, creating a bright, open atmosphere complemented by large windows, wide-plank white oak hardwood flooring, high-end cabinetry and appliances, waterfall countertops, and a striking gas fireplace. The ensuite is a beauty, featuring heated floors, a spacious walk-in shower, double vanity, and a freestanding bathtub. Built for modern living, the home includes a dual-fuel heating system, HRV system, upgraded electrical with 200amp service plus 100amps to the suite, along with EV and hot tub wiring. Epoxy decking, extensive storage, and a large exterior storage area allow the oversized garage to be used for actual vehicle parking, a feature rarely found and highly valued. Outdoor living is equally impressive with a fully fenced backyard, covered deck, expansive patio with built-in fire pit, and private front balcony--ideal for entertaining or enjoying the Okanagan lifestyle. This home delivers a rare combination of efficiency, functionality, and elev...
