Dilworth Mountain

\$1,469,000

A beautifully renovated 5-bedroom, 3.5-bath home that will make you the talk of your friend group. Set in sought after Dilworth, this beautifully updated family home features 3 bedrooms upstairs, making it an ideal layout for a growing family. The functional layout of this home pairs with a backyard that feels like your own private retreat. Picture long afternoons by the stunning pool, evenings on the patio, and plenty of space for family and friends to gather. The pool, fencing, and irrigation were all updated in 2021, while solar panels were added in 2023, bringing smart upgrades to the outdoor space. Inside, the transformation is just as impressive. A fully redesigned custom kitchen, coffee bar, custom laundry cabinetry, new flooring throughout, and all new appliances are just a few of the upgrades. The ensuite and additional bathrooms have been refreshed, with heated floors in both the ensuite and basement bathroom. Add a new furnace and heat pump, hot water on demand, a 200-amp electrical panel, and Poly-B removal, and you have a home where the big updates are already done. You're also close to schools, shopping, parks, and everything your family needs. Private, polished, and designed for real family living, this is the kind of Dilworth home that's hard to leave once you've found it. (id:6769)
