

880 Christina Place 21 Kelowna British Columbia

Dilworth Mountain

\$1,089,900

This is a stunning townhome nestled minutes from downtown in the highly regarded Dilworth Mountain area. Privately perched up above the city looking out over the impressive views below. As you enter, it offers a bright open space that provides gigantic city and valley views from almost everywhere. The unique floor plan offers lots of definition yet provides an appealing openness. The incredibly large deck provides an outdoor experience like no other. Stretching the entire front span going from the living room to the kitchen and ends at the primary bedroom. Large retractable awnings will provides shade when needed. With many major upgrades like furnace, heat pump, hot water, pex piping, paint and more, it's a home that is ready for the couple downsizing. Lots of space for the entertainer or the crafty ones. A fabulous 467sq.ft. space above the garage provides for a quiet space, an art gallery, a work shop or whatever your heart desires. If it's carefree living you want, this is the home for you.
