Experience the Metro Fit 14 by Cantiro Homes. This thoughtfully designed, three-storey townhome combines contemporary style with practical features to make everyday living effortless. Complete with an attached rear garage, front landscaping, and all appliances included, this home is move-in ready. The well-planned layout features two bedrooms, 2.5 bathrooms, and a spacious upper-level lounge that extends onto a generous balcony, creating the perfect setting to relax or entertain. On the first floor, a versatile flex space provides added functionality, with plenty of room for a home office, dedicated workspace, or an additional living area. Quality features include durable steel frame construction and an eye-catching James Hardie exterior. Offering a balance of comfort, style, and everyday convenience, the Metro Fit 14 is a wonderful place to call home! Photos are for representation only. Features and finishes may vary. (id:6769)
