

A rare investment opportunity in the rapidly expanding Appaloosa industrial corridor. This is a 1.83-acre corner site that is currently in the process of being rezoned to I2-General Industrial. The property boasts over 400 feet of frontage on Arab Road, positioning it perfectly for redevelopment. The future zoning permits a diverse range of industrial applications. These include animal clinics, automotive and equipment repair shops, business support services, commercial storage, contractor services, general and custom indoor manufacturing, emergency and protective services, equipment rentals, various industrial uses, household repair services, outdoor storage, recreation services, indoor private clubs, recycling depots, utility services, and vehicle and equipment services. Notably, the existing home on the site can provide holding income while you finalize your redevelopment plans. The property also benefits from its close proximity to UBC and the Airport, as well as convenient access to major arterial roads. (id:6769)
