You're invited to explore a magical rural oasis nestled in the charming community of Willowbrook -- 2.75 flat, fully usable acres featuring a substantially renovated rancher home, a beautiful detached art studio and flex-space building, and a non-conforming self-contained cabin. The main home is bright, open, and highly functional, highlighted by a new kitchen with pantry, a separate family room with a wood stove, and fresh, cheerful, quality finishes throughout. It offers 3 bedrooms and 2 bathrooms, including a spacious primary suite with ensuite and walk-in closet. From both the great room and primary bedroom, enjoy seamless access to a large, fenced yard, patios, and cabana -- creating an ideal indoor-outdoor lifestyle. Health-conscious products were thoughtfully incorporated throughout the renovations. The second building offers over 1,000 sq ft of inspired space featuring a custom art studio with American Clay wall finishes and abundant natural light -- lending itself beautifully to a short-term rental suite, home-based business, or creative
