

2122 Tramonto Court Kelowna British Columbia

Black Mountain

\$1,629,000

A rare 0.33 acre corner lot sets the stage for this exceptional newer rancher with walkout basement, offering sweeping lake, valley, and city views. This nearly 4,600 sq ft home features 6 bedrooms and 4.5 bathrooms, thoughtfully designed for flexibility, multi-generational living, or investment potential. The main level offers true rancher-style living with 3 bedrooms, including a spacious primary suite with walk-in closet and stunning views. Open-concept design with engineered hardwood flooring, quartz countertops, a chef's kitchen, and a full spice kitchen creates both elegance and functionality. The walkout basement includes a bright 2-bedroom legal suite with its own private driveway—ideal for rental income or extended family. A versatile ~600 sq ft bonus room, currently used for storage, offers incredible potential as a home theatre, gym, or hobby space. Rare to find, this property offers ample parking for up to 7 vehicles plus RV space. Additional features include hot water on demand, smart thermostat, integrated sound system, central vacuum, irrigation, and pre-wired security. Enjoy outdoor living with a hot tub, landscaped yard, and room for a future pool—all positioned to capture breathtaking views. No GST. A rare opportunity offering lifestyle, income, and long-term value in one of Kelowna's desirable neighbourhoods. (id:6769)
