Aberdeen

\$1,499,900

This spacious Aberdeen residence delivers exceptional layout versatility and panoramic river and valley views across three expansive levels. The main floor features engineered hardwood flooring throughout, a large kitchen finished with stone countertops, and a dining and living area defined by striking 14-foot ceilings and a central fireplace. This level includes three bedrooms—including a primary suite equipped with a walk-in closet, double sinks, a soaker tub, and a custom tile shower—along with a four-piece main bathroom, a dedicated mudroom/laundry room, and direct access to both the oversized garage and a large covered deck. Designed to adapt seamlessly to multi-generational living or robust investment strategies, the lower levels offer independent entry points, 10-foot ceilings, and separate covered patios. The first lower level hosts two bedrooms, a four-piece bathroom, an additional separate bedroom with its own four-piece bath, laundry facilities, and a large family room complete with kitchen rough-ins. The lowest level adds two more bedrooms, a substantial recreation room with plumbing roughed-in for a wet bar, a four-piece bathroom, and a second laundry closet. Positioned just minutes from Thompson Rivers University, Pacific Way Elementary, and local shopping, this high-capacity property maximizes both functional living space and turn-key rental potential in a h...
