

2157 Kentucky Crescent Kelowna British Columbia

Rutland North

\$1,580,000

Brand New Single Family 4152 sq ft home in Tower Ranch. 5 Bedroom 4 Bath home. This home has been designed to support future solar panels on the roof. The lower level includes 2 bedrooms, a bathroom, a large family room and a storage room or bonus room. On the main floor, you have your kitchen, Quartz countertops, full pantry, centre island, sink, dishwasher, a double-wide fridge, stove/oven and microwave. High ceilings with 9' beams create a space separation between the Kitchen, Great Room and Dining area. Open concept design, bright open living space with access to the large covered deck. Double-wide heated garage with hot/cold water system, mud room, Laundry Room with washer/dryer, sink and cabinets. Foyer and a den/office on the main floor. The upper floor contains a Large Master suite with a full en-suite bathroom, walk-in closet, and private balcony. This floor has 2 more bedrooms with a full-size bathroom. Engineered hardwood, triple glaze windows, built-in vac, security system rough-in, and Polylac finish cabinets are some of the many features this home has. Measurements are taken from the home plan. GST is applicable (id:6769)
