RARE Opportunity in the Industrial Heartland of Fort Saskatchewan. 63.4 Acres of development land with GREAT highway frontage. Easy access to the Industrial Heartland and high traffic counts make this a prime location for light industrial development. Neighboring landowners include Access Pipeline, Yanda Canada, TAG Developments Real Storage. This unserviced land is being sold for \$100,000/acre where comparable serviced land in the area has sold for \$650,000/acres. This is an incredible opportunity! (id:6769)
