

220 PARK Street Kamloops British Columbia

North Kamloops

\$799,900

What an opportunity! This fully updated, non-conforming triplex sits in one of Kamloops most up and coming areas, surrounded by long term owners and young families. You are directly across from Macdonald Park, the water park, basketball courts and community gardens, and just steps from the Rivers Trail. The main floor has been fully renovated with a 3 bedroom, 1 bathroom layout, including a walk in bathtub, new windows, new flooring, and an updated kitchen and bathroom. Downstairs, a separate entry leads into a shared foyer with laundry, giving access to two fully furnished 1 bedroom suites, each with its own heating system. Outside you will find a fully fenced backyard with an inground pool, a new poured concrete pool deck and pathways. Recent seller updates include a pool covers (winter/summer), new outdoor decking, new backyard fencing, basement hot water tank (2025), insulation upgrade to R50/60, and garage roof and maintenance work, landscaping, on top of the main floor renovation. This is an ideal setup for a young family who wants a large portion of their mortgage covered while enjoying a central location, turn key move in condition, and a pool for the summers. It also works well as a straight revenue property, with the main floor easily rentable alongside the two basement suites. Please allow 24 hours notice for showings. (id:6769)
