

2204 Heitman Street Enderby British Columbia

Enderby / Grindrod

\$649,000

Welcome to tranquility at the end of a peaceful cul-de-sac! This charming 3-bedroom home epitomizes comfort and convenience, offering a haven of relaxation. Step through the level entry and into the inviting interior, where an open floor plan creates a seamless flow throughout. The main level hosts three bedrooms, ensuring ample space for the entire family, while a versatile bonus room upstairs awaits your personal touch—ideal for a home office, playroom, or additional living area. With two well-appointed bathrooms, convenience is paramount, catering to the needs of all occupants. An attached garage adds further convenience, providing secure parking and extra storage space for your belongings. Step outside to the covered deck, where outdoor living reaches new heights. Relax and entertain amidst the serene surroundings, enjoying the fresh air and peaceful ambiance. A storage shed completes the property, offering ample space for all your outdoor equipment and tools. Don't miss the opportunity to make this tranquil retreat your own—schedule a viewing today and discover the perfect blend of functionality and style! (id:6769)
