Great location!! Situated in desirable PG West in the Foothills area boasting 3 nice sized bedrooms with big bright windows allowing for lots of natural light. There is a 2 piece washroom on the main floor and full bathroom upstairs. Downstairs has a large rec-room and lots of storage space. Most appealing though is the private fenced yard which is a rare find for a townhouse. The fenced yard is great because the rules allow for a dog! This is also an end unit offering a little more privacy than others. Fantastic home! (id:6769)
