Beautiful Lakeview Home! Sought-after community, the home sits on the most desirable street in Sonoma Pines. This updated Tiburon plan walkout rancher blends comfort and functionality. The main level features 9-foot ceilings, rich Brazilian hardwood flooring, and updated lighting throughout. The chef-inspired kitchen impresses with quartz countertops and backsplash, a large island, and upgraded appliances including a double oven range and a newer LG refrigerator. The spacious primary suite offers a private retreat, complete with a walk-in closet, custom built-ins, and a fully renovated ensuite featuring quartz counters and heated floors. A second bedroom on the main level, also equipped with built-ins, provides flexibility as a guest room or home office. An oversized laundry room with newer appliances. Step outside to a partially covered deck designed to maximize the view, featuring seamless glass railings, updated flooring, a ceiling fan, and an awning for comfort throughout the seasons. The walkout lower level continues to impress, 10-foot ceilings, a generous family room with fireplace, a third bedroom, full bathroom, ample storage, and a large workshop. Two separate patio areas provide additional outdoor living space. Additional highlights include a 2024 energy-efficient A/C unit, newer exterior paint, and an oversized garage with epoxy flooring and built-in storage. Jus...
