Glenmore

\$5,350,000

The Hideaway - Where Privacy, Nature, and City Life All Meet. \$5.35M gets you the most breathtaking view in the valley--full stop. The Hideaway offers rare backyard privacy, bordering nothing but untouched nature--and direct access to one of Kelowna's most scenic and sought-after parks. Over 5700 square feet across five levels of thoughtful design, natural light, and real living--centred around a 26-foot wall of glass that turns the Okanagan into living art, and puts the entire valley on full display. From the chef's kitchen to the gym, the terrace to the putting green, the games room to the pool deck--every space flows effortlessly into the next, built for real life, real fun, and total solitude when needed. Downtown is just ten minutes away. But up here? It feels like another world. The Hideaway has to be seen, felt and experienced to be appreciated. Enjoy the video. (id:6769)
