

2376 Saucier Road Kelowna British Columbia

South East Kelowna

\$3,200,000

Welcome to your private sanctuary in Southeast Kelowna, where nature, thoughtful design, and everyday luxury come together on 4.25 acres of forested beauty. Mature trees surround this modern farmhouse, which offers 5600 sq ft of vibrant living space, perfect for quiet moments and lively gatherings. At the heart of the home, the kitchen features double islands, quartz counters, high-end appliances, and a spacious walk-in pantry, designed for creating special moments with family and friends. Vaulted dining and living areas with white-washed beams, a brick fireplace, and a sparkling crystal chandelier exude warmth and style. French doors open onto a wraparound patio, in-ground pool, and fire pit framed with lush landscaping, inviting you to relax and unwind in complete privacy. The main level offers two bedrooms with en-suite bathrooms, walk-in closets, a den, laundry, and a mudroom for convenience. Upstairs, the primary suite is a private retreat, complete with a spa-like ensuite, and a balcony overlooking the property—your perfect spot for a morning coffee or evening wine. The lower level is built for connection and fun, featuring a second kitchen, multiple living areas, and two bedrooms. A heated double garage with front and rear access, plus basement entry, adds extra convenience. Tucked away in Southeast Kelowna, this home offers rare privacy and natural beauty. This is m...
