

**Whitehorse Yukon**

**\$799,000**

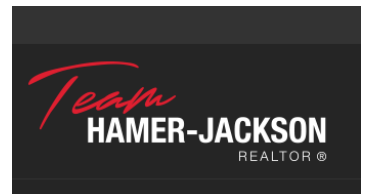

Welcome to this STUNNING, fully updated DREAM home in Riverdale, where contemporary design and family-friendly comfort come together seamlessly. With 4 spacious bedrooms, 3 beautifully renovated bathrooms and a versatile den or office, this home checks every box for modern living. Step inside and be wowed by the open-concept layout, flooded with natural light and perfect for entertaining or relaxing with loved ones. You'll love the flow between the two generous living rooms, ideal for family gatherings or creating separate spaces for adults and kids. At the heart of the home is a show-stopping, winding staircase—a design centerpiece that adds architectural flair and charm. The double attached garage offers convenience and storage, while the large backyard is a true outdoor retreat—perfect for kids to play, summer BBQs or even growing your own garden or greenhouse. Come fall in love ~ schedule your private showing today! OPEN HOUSE ~ MON, JUNE 16, 5PM -7PM (id:6769)
