Elevated above the turquoise waters of Kalamalka Lake, Vista I is a masterfully designed contemporary residence that celebrates the beauty of its natural surroundings while delivering modern luxury. Spanning 2,671 square feet across three thoughtfully designed levels, this sophisticated walk-out home seamlessly blends refined architecture with effortless indoor-outdoor living. Positioned to capture breathtaking lake views from every floor, expansive walls of glass invite natural light while framing Kalamalka's rich waterfront landscape. The main level is defined by soaring 14-foot vaulted ceilings and an open-concept design that connects the great room, dining area, and chef-inspired kitchen. Premium appliances, a generous island, walk-in pantry, and a statement wine display create a space well suited for intimate evenings or grand-scale entertaining. Floor-to-ceiling windows extend the living experience onto a covered lake view terrace. The primary retreat occupies its own level, creating a sanctuary within the home. Complete with a covered balcony,
