RE/MAX GENERATIONS REALTY, Brokerage

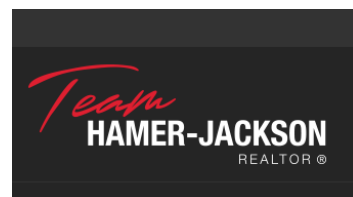

Welcome to this beautifully appointed 2018-built rural bungalow, offering the perfect combination of modern comfort, space, and functionality. The main floor features 3 bedrooms, main floor laundry, built-in appliances, a cozy gas fireplace, and access to a spacious deck complete with a hot tub--perfect for relaxing and enjoying the peaceful rural setting. The fully finished walk-out basement, equipped with in floor heating adds two additional bedrooms and plenty of versatile living space, bringing the home to a total of 5 bedrooms and 2 bathrooms. Car enthusiasts, hobbyists, and mechanics will love the exceptional garage space! In addition to the attached double-car garage, the property features a detached mechanic's garage complete with a car hoist, offering an incredible setup for projects, storage, or recreational vehicles. A thoughtfully designed newer home with the space, amenities, and garage setup that can be hard to find in a rural property. (id:6769)
