

Mayo Yukon

\$369,900

2.05 Acres partially in the village of Mayo and part outside the village. This log home is idyllic and cozy. The primary rooms are large and accommodate hosting friends or creating a cozy family environment. Upstairs are 2 bedrooms or 1 bed and a den. The main bathroom is nicely updated. The basement holds the utilities, 200 amp service, the house is serviced by a well. Bonus is a 30'x40' shop with a 3-ton hoist and in-floor heat. If that was not enough, the garage is a dream.
