Set in family-friendly Tallus Ridge, this well maintained home is built for families who need space, flexibility, & serious utility. On a private .54-acre lot backing onto forest, the layout works for larger or multi-generational families without compromising comfort. The main floor is bright with vaulted ceilings, open-concept kitchen & dining areas, updated luxury vinyl plank flooring, & direct access to the outdoor patio. The kitchen anchors the home with a large island, pantry, dual ovens, gas range, & reverse osmosis filtration system. The main-floor primary suite adds long-term comfort with a 5-piece ensuite & massive walk-in closet, while a second main-floor bedroom adds flexibility for guests, office use, or kids. Upstairs, 2 bedrooms & full 4-piece bath create separation for kids or guests. The lower level adds comfortable multi-generational or future suite potential with 2 bedrooms, a brand-new kitchen with full appliance package, separate laundry, separate entrance, large living area & heated floors. It is bright, open & comfortable, with large bedrooms, plenty of street parking, & the option for a private patio. The 3-car garage with 14-ft ceilings securely stores an RV, boat, or workshop setup, and includes water, drain & 240V power for RV hookup, tools, or future EV charging. RV/boat parking beside the garage, multiple gas hookups on the patio, porch, and garag...
