

Whitehorse Yukon

\$859,000

Exquisite Package! Superior craftsmanship matched with quality finishes and intelligent design. The main level has 9' ceilings and offers an open-concept living/kitchen/dining area that overlooks the back yard and greenspace. Stunning kitchen features solid-surface counters, soft-close drawers & cabinets (41" uppers), s/s appliances, large tile backsplash, sizeable island and a pantry with plug-in for microwave. The upper layout has 4 spacious bedroom, laundry room with counter top and large common bathroom. The massive primary bedroom boasts 2 walk-in closets and striking 5-pc ensuite featuring tiled walk-in shower, stand alone tub, dual-sink vanity and water closet. This tasteful package also offers R40/80 insulation, RV parking, double concrete drive and two-tiered rear deck. (id:6769)
