

## 2430 Fairhall Road Kelowna British Columbia

South East Kelowna

**\$1,018,000**

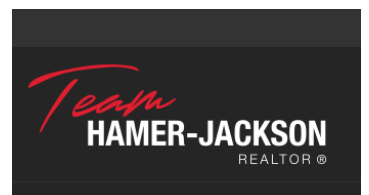

Nestled in the quiet, highly sought-after Hall Road Subdivision, this spacious home offers a perfect blend of comfort and functionality. Featuring a desirable grade-level entry and a walkout lower level, the property opens to a private backyard oasis complete with a 36' x 18' heated swimming pool and a level, fully fenced lawn that backs directly onto a public park. The home includes five bedrooms, three full bathrooms, and two dens, offering plenty of space for families or guests. The lower level is ideally suited for a two-bedroom in-law suite, complete with a full kitchen, living room, bathroom, and additional den. Additional features include underground irrigation, built-in vacuum, central air conditioning, two hot water tanks, and full appliance packages on both levels. With parking for six vehicles and ample space for an RV, this home combines convenience with versatility. A storage shed and under-deck storage add to the functionality. A rare opportunity in a premium location. All measurements are approximate. (id:6769)
