

RE/MAX Kelowna
 100-1553 Harvey Avenue
 Kelowna, BC,
 Canada

A perfect opportunity to create your own memories in this Show Home built by award-winning Gilroy Homes. The open floor plan gives you the versatility to arrange furniture based on your personal lifestyle. Contemporary decor and finishing materials. Well laid out kitchen with ample counter space, corner pantry and stylish cabinetry. You can dine in the kitchen or in the adjacent dining table area. The primary bedroom offers a walk in closet 5'10" x 5' and a 4 piece ensuite. The second bedroom is 10.1' x 9.2'. The basement is framed, wired, insulated and polyed. There are 5 windows and roughed-in plumbing. The home has a side entrance as well as direct entry to the 21' x 24' garage with opener. The exposed aggregate driveway extends to the sidewalk that goes along the side of the home. Low maintenance vinyl siding exterior with ProStackAnd Shakes. 95% furnace and direct vent water heater. Kensington Greens is an architecturally-styled development where you find park and play areas for children and lit pedestrian walkways. It is accessible to schools and recreation areas.
