

2460 Sexsmith Road Kelowna British Columbia

North Glenmore

\$975,000

Do you need a HUGE HEATED SHOP, RV parking and two bedroom suite? Do you want a new furnace and updated A/C, hot water tank and windows? How about a meticulously maintained home with five bedrooms, two kitchens and a huge, private back yard backing on ALR....This property has ALL of that and more. Starting with the updated home, there are three bedrooms up, an updated kitchen / dining area open to the living room. Large windows brighten up this spacious area. The basement has a two bedroom suite with separate entrance and laundry room. The huge backyard is complemented with a pergola covered patio and loads of green space. The yard is fully fenced and irrigated. Loads of extra parking for your RV's. The oversized shop has a two piece bath, 220 service and is heated with an energy efficient on-demand in floor hot water gas heater. At almost 30' x 32', and 12' high, and with both a 10' x 10' door and an 8' x 8' door, there is room for all of your hobbies, projects, and toys. The home is set back from the road behind mature landscaping. This is a cream puff home paired with a dreamy big-kid playhouse! (id:6769)
