

2496 Loseth Road Kelowna British Columbia

Black Mountain

\$1,410,000

A beautiful three storey home located in the highly desirable Kirschner Mountain, known for its gorgeous lake views and proximity to parks, schools & scenic biking trails. This home has everything you could ask for! High ceilings and large windows surround the main living space drawing in a panoramic lake views and filling the space with natural light. The primary bedroom offers private access to an outdoor deck & hot tub, and it features a gorgeous 5-piece ensuite & walk-in closet. The big deck and fully fenced backyard are a true haven, with plenty of room for entertaining guests and for children to play. Downstairs, a spacious rec room with an extra den, ready for your home gym. And a separate 1 bedroom legal suite with its spacious backyard and designated parking. Check out the oversized Shop/Garage out back with H/C water and Air Conditioning, second driveway & RV space that separate this home from competition in the area. This Kirschner Mountain gem is the perfect blend of modern luxury and family living! (id:6769)
