Okanagan Falls

\$449,000

Enjoy the morning sunshine and peace and quiet on the 25' x 11' covered patio! South facing end unit townhouse, 2070 sq ft of living space with fully finished basement in a delightful 55+ community in quaint Okanagan Falls, just a short drive to Oliver and Penticton. Excellent location in the complex, with an attached carport for 2 vehicles, this 2 bedroom, 2.5 bath end unit has had many updates in the last few years. The main floor has 2 bedrooms, 2 full bathrooms, primary living space with sliders onto the patio, and laundry, so the downstairs is a bonus! The downstairs offers a family room, rec room with kitchenette, powder room, workshop/craft room, and good-sized storage room/pantry. There is RV storage available for monthly rental, with an on-site sani-dump, as well community garden boxes for those that love a garden, plenty of green space, and visitor parking. Updates include Microwave Range Hood, Air Conditioning Unit, Hot Water Tank, Dishwasher, Window Coverings, Patio Cover, Sliding Doors, Storage Shed, LED Lighting, 3 Hunter Ceiling Fans, Telus Security System, and Whole House Water Filter. One small pet is welcome upon approval. This wonderful opportunity awaits you! Measurements by Matterport. (id:6769)
