Welcome to Sandhurst, a meticulously maintained townhome community perfectly positioned near the new Parkinson Rec Center, Landmark Center, and fantastic local restaurants. This move-in-ready, rancher-style home boasts a bright, open-concept floor plan highlighted by a recently renovated kitchen with quartz countertops and stainless-steel appliances. From the heart of the home, step directly onto a generous covered patio--an ideal sanctuary for morning coffee or evening BBQs. Enjoy the effortless flow of single-level living, where the primary suite offers dual closets and a private 3-piece ensuite. This level is rounded out by a secondary bedroom, a full 4-piece guest bath, and a dedicated laundry room for ultimate convenience. A fully finished basement is guest ready with an additional bedroom, Den (could be a 4th guest bedroom) and a 4 piece bathroom. Large recreational room for hobbies, media, or relaxing. Ample storage space and a dedicated workshop/utility room. Major mechanical updates already taken care of--including new windows, newer hot water tank 2022, newer heat pump/AC in 2024--this home offers effortless, worry-free living in an unbeatable location. Single carport and extra parking available. (id:6769)
