BEAUTIFULLY UPDATED CORNER UNIT AT CHELSEA GARDENS! Upon entry, you're greeted by an airy foyer, overlooked by the upstairs loft. To your right is the premium chef's kitchen with quartz counters, dimmable under-cabinet lighting, a rolling island, a Frigidaire Gallery refrigerator, an LG 5-burner gas range with center griddle, an LG Quad dishwasher, a Vissani under-cabinet range hood, and counter-to-ceiling & counter-to-floor cabinets with custom pull-out drawers. From the kitchen, you step into the living and dining areas, filled with natural light from well-placed windows throughout, as well as through the sliding patio doors. The patio itself enjoys a terrific corner location, providing it with optimal privacy. The main floor also features a combined powder/laundry room and, of course, the sizeable primary bedroom, which looks out to the green space, and boasts a luxurious 5-piece ensuite with quartz counters, his-and-hers sinks, an upgraded toilet, a 55-gallon soaking tub/shower combo, and waterproof vinyl flooring. Upstairs, the home features a lofted rec room (ideal for a home office or gym), two additional bedrooms, and another full bathroom with its own array of luxurious upgrades. Roof was replaced in 2024, and ceiling fans have been added in every bedroom, as well as the living room. Residents at Chelsea Gardens enjoy an excellent location with easy access to school...
