

933 Mt Robson Place 25 Vernon British Columbia

Middleton Mountain Vernon

\$629,999

This is the one! A terrific family home in a quiet, friendly community! 933 Mt Robson Place features incredible views over the city, with easy access to all amenities in Vernon including golf courses, shopping, grocery stores and entertainment just a few minutes away, and loads of outdoor activities at your doorstep! This spacious 3 bedroom end unit townhouse offers plenty of space for any buyer type whether a young family, professional couple or downsizers that are looking for an easy home to lock up and leave! Terrific views from the main and upper floor highlight this spectacular space. The primary bedroom on the upper level is massive, with a beautiful ensuite and spacious walk-in in closet, alongside 2 other bedrooms and another full bathroom. The main floor is stunning, and offers plenty of room to entertain, with a beautiful kitchen, stainless appliances, loads of countertop space as well as a sit up island. Dont forget the outdoor space! A cute, private back yard as well as a lovely front patio looking over the city allow you to enjoy sun (or shade) all day! Pets are welcome and encouraged in this well run strata! Loads of walking trails right out your front door! If kids are more your thing, this home falls in a terrific catchment of Hillview Elementary and VSS! (id:6769)
