

250 Lower Bench Road Penticton British Columbia

Uplands/Redlands

\$1,400,000

Situated on a gorgeous 2.41-acre property, this stunning home - owned by only one couple who grew their grapes, fig trees, and raised three boys - boasts spectacular lake, city, mountain, and valley views. This well-built, quality-constructed 3,988 sq. ft. home features 5 bedrooms and 3 bathrooms. The home was a former vineyard, and the property still has the irrigation system in place, making it easy to replant with grapes if desired. Inside, the spacious home features a grand entrance with a curved stairwell leading to the main living area. The large master bedroom includes a 5-piece ensuite with a jetted tub and a walk-in closet. The main level also offers two large living areas perfect for day-to-day living and entertaining. The lower level includes a summer kitchen, offering many options going forward, as well as ceramic tile flooring warmed by hot water radiant floor heating. This lakeview home offers the best of both worlds: peacefully removed from the bustle of the city, yet just a short walk to Penticton's world-famous farmers market, beaches and restaurants.
