Osoyoos

\$889,000

This well-maintained two-story home offers just over 2,000 square feet of living space, perched on a half-acre lot with sweeping, unobstructed views of Osoyoos Lake and the surrounding vineyards—stretching all the way to Washington. The home includes three bedrooms and two and a half bathrooms, with a primary bedroom featuring an en-suite and walk-in closet. A generous 25x20 garage offers ample space for vehicles, tools, and storage. There's also potential to create a separate suite, adding flexibility for extended family or rental income. A powered, 200-square-foot gazebo sunroom provides a perfect spot to relax and take in the views. The in-ground pool requires some work to get running, but much of the groundwork has already been completed. With its combination of privacy, elevation, and rare panoramic views, this is a property that truly stands out—just a short drive from town. Call today for details: 250-408-8788 (id:6769)
