Smith Creek

\$950,000

Located at the end of a cul-de-sac in the heart of Smith Creek, is a 5 bedroom 3 bathroom home including a one bedroom legal suite with a fully fenced pool sized yard. The large open concept main level with an abundance of natural light is well laid out with a living room and gas fireplace and a spacious kitchen with S/S appliances, ample cupboard and counter space. Large primary bedroom including walk in closet, 5 piece space like ensuite and 2 additional bedrooms. Fall in love with the large front deck where you can BBQ all your favourite meals, host company or simply just having a nice glass of wine while taking in all your mountain and lake views. An added bonus is the fully contained one bedroom legal suite with a separate outdoor space so no need to share your private backyard. The home is complete with double bay garage and additional parking for a boat/rv or tenants. Upgrades in the home include full interior paint and brand new carpets in the bedrooms having the home show beautifully! The area ticks all of the boxes for a growing family...Shannon Lake and George Pringle Elementary close by, the very popular Smith Creek Trails within walking distance and wonderful neighbours and multiple families right next door. Not to mention being at the end of a quiet street so the kids can run outside and play without mom and dad having to worry!! It's tough to find a home that ticks all...
