

2550 Wiltse Drive Penticton British Columbia

Wiltse/Valleyview

\$650,000

Family-sized duplex with plenty of parking and a large, fully fenced yard in the sought-after Wiltse area – just steps from the school. At 2,298 sq ft with 5 bedrooms, this home delivers the space of a single-family house without the price tag. The main floor is well-appointed with 3 bedrooms, a bright living room, and an open kitchen and dining area, plus a nice east-facing deck with mountain views just off the living room. The lower level is bright, well laid out, and surprisingly spacious – featuring 2 additional bedrooms including one that is 11x15 sq ft, a large family room, a bonus area, and ample storage. With its own separate entrance, the lower level easily lends itself to an in-law or extended family suite. The backyard is a rare find for a duplex – a paving stone patio, room for a garden, a trampoline, or whatever outdoor life looks like for you. Recent upgrades include a new roof and heat pump. With some fresh paint, new flooring, and your finishing touches, this one has real potential waiting to be unlocked. (id:6769)
