

Whitehorse Yukon

\$539,900

Ultimate townhouse layout! This Super Green end-unit townhouse delivers excellent size and functionality, offering 3 bedrooms, 2.5 bathrooms, two living areas, and approximately 1,846 sqft of well-planned living space. A spacious tiled entry leads into the open-concept main floor, where 9' ceilings enhance the open living space. The kitchen features white cabinetry, concrete-tone countertops, classic subway tile backsplash, and stainless-steel appliances—clean, modern, and highly functional. Step outside to a fenced backyard with deck, backing onto a grassed common area. Upstairs, a bonus second living room smartly separates the primary suite from the secondary bedrooms. The primary bedroom includes a walk-in closet and full ensuite with double vanity, while two additional bedrooms, a full bathroom, and laundry closet complete the upper level. A single attached garage and double-wide paved driveway provide excellent parking. Energy-efficient and available now! (id:6769)
