Shannon Lake

\$1,125,000

Perched above vineyards with sweeping lake views, 2600 Paramount Dr offers a lifestyle of peace, space, and thoughtful design. This well-maintained home features an open main living area with large windows framing lake and vineyard views. A gas fireplace anchors the living area, which has high ceilings, while the kitchen is finished with quartz countertops, stainless steel appliances, and a walk-in pantry. Step outside to the backyard, where a covered patio, wired for a hot tub, invites relaxed outdoor living with minimal upkeep. The exterior of the home features astrological-timed lighting that brings the evenings to life. The primary bedroom overlooks the views, while downstairs, a one-bedroom suite with a private entrance adds flexibility for extended family or rental income. Practical features enhance daily life: a heated, oversized garage (large enough to park a truck) with a workbench and storage, room for RV parking, built-in vacuum, and a BreathRite fresh air exchanger for improved air quality. Located minutes from golf, wineries, hiking trails, and amenities, this property combines function, comfort, and timeless views. A rare find offering space to live, grow, and relax in one of West Kelowna's most desirable areas. (id:6769)
