Welcome to your dream home! This Grade Level Entry home boasts 5 spacious bedrooms and 2 modern bathrooms, perfectly situated just steps away from Smith Creek Park, with abundant hiking, biking, and nature trails right at your doorstep. The open-concept main level features three inviting bedrooms, a beautifully updated bathroom, and a warm living and dining area complete with a gas fireplace. The gourmet kitchen is a chef's delight, equipped with granite countertops, stainless steel appliances, a Thermador gas range, built-in ovens and microwave, and a wine fridge. Elegant travertine tile and hardwood floors flow seamlessly throughout the space. Step into the sunroom off the kitchen, leading to a fully fenced, tiered backyard oasis, meticulously landscaped by Art Knapp. This outdoor haven includes a spectacular fire pit and table with lake views, mature trees, and a saltwater hot tub, perfect for relaxation. There's also a gas hookup for your BBQ. The lower level offers two additional bedrooms, a stylish bathroom, and a media room set up as a theatre, complete with built-in speakers and another gas fireplace. You'll also find a laundry room and access to the spacious 368 sq. ft. double garage, which includes a ladder leading to the attic for extra storage. Recent updates include fresh paint throughout in 2021 and new LED lighting inside and out, along with new hardware on al...
