

2632 LINKS Drive Prince George British Columbia

\$791,000

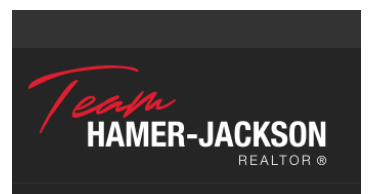

This contemporary dream home in the desirable Aberdeen Golf Course community with low-maintenance, curved paving stone driveway and double garage has great curb appeal and you are welcomed by the open concept main floor with hardwood flooring as you enter from the covered front porch. Perfectly suited to entertaining, the timeless kitchen with stone countertops and a large island should delight the chef in the family and provides access to the generous back deck. From there you can enjoy the manageable, landscaped backyard with retaining wall. Three bedrooms, one being the primary with full ensuite and WI closet, another bathroom and convenient laundry round off the main floor. The basement features two further bedrooms, third full bathroom and the large family room. (id:6769)
