South East Kelowna

\$1,195,000

Tucked into one of Southeast Kelowna's most desirable pockets, 2635 Packers Road delivers the rare combination of rural charm, in-city convenience, and a genuine lake view. Set on a private 0.31-acre lot surrounded by mature trees, this West Coast contemporary has been extensively refreshed from top to bottom, including a brand new kitchen, new flooring, new roof, new main floor bathroom, and fresh paint throughout. Vaulted cedar ceilings and floor-to-ceiling windows carry natural light through the main living spaces, anchored by a cozy wood burning fireplace. This 4 bedroom, 2.5 bathroom home offers spacious living across multiple levels, with a fully reimagined rear yard and potting shed, a front garden fire pit entertainment zone, and a new food and cut flower garden, all set against gorgeous sunset views from the upper deck. A double carport with attached workshop and a newly gravelled parking area enough room for an RV and multiple vehicles round out this move-in ready property. Rarely does this much land, character, and updated living come together this close to town. (id:6769)
