Come and see this cozy half duplex in central Sahali close to parks, shopping, transit and more! This home has so much to offer and a great layout. Inside, you enter on the main floor which has a large bright living room with new flooring and paint, a 2pc bath and a beautiful upgraded kitchen with stainless steel appliances, newer countertops and cabinets. A sliding glass door from the dining room allows access to the yard and on to the deck for BBQ'ing. On the upper level you'll find 3 bedrooms and a 4pc bathroom, and the basement is partially finished with a great theatre/media room, a 3pc bathroom, laundry and lots of storage.
