

2653 STARLANE Drive Prince George British Columbia
\$549,000

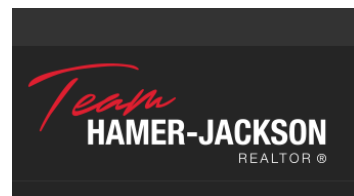

This nicely updated home in a great neighborhood with three bedrooms on the main floor has so much to offer! Close to many amenities, the property is almost a third of an acre with a private, nicely treed, fenced backyard, double garage (electric heat) & room to park even the biggest RV (there is even an RV septic cleanout). The upper floor has fresh paint and flooring throughout and a nice brick feature in the kitchen/dining room area. Ever wanted your own private bar with a dance/shuffleboard floor? This house has got you covered with a retro bar that can be accessed via the ground level basement entrance by the covered patio area. There is even a cool patio backyard space to keep your feline family members happy and safe. (id:6769)
