Lakeview Heights

\$849,990

Welcome to this fully renovated 4 bedroom (2up/2down), 3 bath rancher style home with basement. Morning sun enters the open concept living/dining room leading directly into the kitchen with upgraded appliances. A formal dining room is set just off of the kitchen, with a large window facing the backyard. The Primary bedroom with ensuite and a large walk-in closet has ample space for a King sized bed while still allowing plenty of room for other furnishings. The basement offers a large recreation room, an exercise area off to the side, storage room a full bathroom, and two more bedrooms. Outside, the fully fenced backyard has a fire pit and a raised garden/flower bed ready for planting. There is a gate on the Ross road side at the back for those who need a place to put their RV or boat. The home also has a double attached garage, that offers side entry and direct access to the inside and a properly sized driveway that can fit up to 4 additional vehicles. All of this right in the middle (and within short walking distance) of an Elementary school, Middle school, high school, and Ice rinks. (id:6769)
