

**Whitehorse Yukon**

**\$819,900**

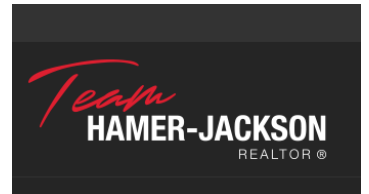

Built for entertaining and everyday living, this stylish 3-bedroom, 3-bathroom home faces a green space and backs onto trees in desirable Whistle Bend. The welcoming front entry opens to a bright, open-concept main floor featuring a stunning living room feature wall, dedicated office, spacious dining area, and a large mudroom/gear room with direct access to the attached garage. The beautiful kitchen is the heart of the home, complete with quartz countertops, black hardware and fixtures, an oversized island, and a walk-in pantry. Step outside to the back deck and enjoy the evening sun. Upstairs offers a second family room, convenient laundry, 3 generous bedrooms, and 2 full bathrooms. The primary suite features a spa-inspired ensuite with a tiled shower, dual shower heads, and extensive counter space. Additional highlights include RV parking, an extended driveway, digital thermostats, ceiling fans, and quality finishes throughout. A must-see! (id:6769)
