Welcome to your own slice of lakeside paradise. Nestled in one of the most walkable, beach-close locations available, this 2-bedroom, 3-bath luxury townhouse offers the rare combination of upscale living and a rooftop patio designed for unforgettable evenings and unbeatable views. With 1,433 square feet of intelligently designed space on the quiet side of the building, this home lives like a detached property—no peeking into neighbours' windows here. Instead, enjoy tranquil treetop and lake views from your private rooftop retreat, perfect for entertaining and unwinding. The attached garage provides secure space for your car and all your lake life toys, while the layout offers comfort, flow, and privacy in equal measure. Ideal for young professionals or snowbirds looking to soak up the best of the Okanagan lifestyle, this location delivers: stroll to the beach in seconds, grab coffee or groceries nearby, and know that safety and transit are right at your doorstep. Rooftop patios like this don't hit the market often—especially this close to the water. Come take it in before someone else takes it off the market. (id:6769)
