Lower Mission

\$699,900

Looking for a show home-level townhome? This immaculate Green Square residence exudes pride of ownership and shows like a show home. Lightly lived in and perfectly maintained, it offers one of the best locations in this sought-after Lower Mission community. Featuring 3 bedrooms, 2.5 bathrooms, and open-concept living, this north-facing home blends modern luxury with everyday functionality. An elevated front patio with peaceful views welcomes you home. Inside, 9-foot ceilings on both levels and expansive windows fill the space with natural light. The chef-inspired kitchen boasts a large quartz island with seating for four, sleek cabinetry, and flows seamlessly into the dining area. The inviting living room, complete with a fireplace, opens directly to the front patio for effortless indoor-outdoor living. Upstairs, you'll find 3 bedrooms including a private primary retreat with spa-like ensuite. The tandem garage accommodates two vehicles plus a workshop/fitness area, while residents also enjoy a fully equipped community gym. Just a 5-minute walk to Boyce-Gyro Beach, steps to Casorso Elementary, and close to H2O Fitness Centre, Capital News Centre, and top schools. This pristine home truly checks every box--don't miss your chance to own in one of Kelowna's most desirable neighborhoods! (id:6769)
