

Petitcodiac New Brunswick

\$299,500

New Brunswick Real Estate Board

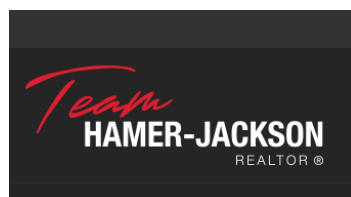

Century home in the heart of the Village of Petitcodiac, located just off Main street, adjacent to the shopping area. -A full length covered veranda at the front is the perfect spot to enjoy a beverage and take in the fresh air. - Beautifully laid out, the main floor has a main central hall off which are the dining room, kitchen, family room and living room -The hallway, living and family rooms all boast 9 foot ceilings and many original features such as Douglas Fir doors, trim, baseboards and staircase. The living and family rooms are separated by a beautiful set of pocket doors. -An addition at the rear of the mail level contains a bathroom with shower, a laundry area (with new washer & dryer) and the stairs to the partially finished basement, which is currently being used as a home gym. -Upstairs are 3 large, light and bright bedrooms, the main bathroom and a spacious landing and hallway. -New to the house this spring (2025) are: ducted heat pump with 10 year warranty, pressure tank and UV light water treatment system and a 200 amp electrical panel. -Character abounds throughout this must see family home, and the private back yard bordered by the Petitcodiac River is the perfect retreat.
