

**27265 NESS LAKE NORTH Road Prince George British Columbia**

**\$354,900**

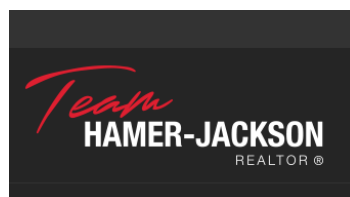

Beautiful lakefront view and lake access with this 2 bedroom 1 bathroom recreational cabin. These properties do not come along very often. This cabin needs some work but the potential is unlimited. The .56 acre lot has a large flat area at the top and a gentle slope to the lake. There is a water and septic system and electricity connected. (id:6769)
