

2764 Abbott Street Kelowna British Columbia

Kelowna South

\$9,890,000

Welcome to the Abbott corridor, Kelowna's most historic waterfront community. This modern lakefront estate offers every modern luxury, all set on a 0.50 acre parcel which is walking distance to every amenity imaginable. The main home sets itself apart, with a stunning open concept. Upon entry, the towering ceilings with expansive windows offer beautiful west-facing views, framed by a floor-to-ceiling gas fireplace, all with direct access to the pool deck. The great room leads into the kitchen, with an oversized island, Thermador appliances, walk-through pantry with wine fridge, and stylish powder room. Outside is a full outdoor kitchen which overlooks the tiled infinity pool with auto cover, hot tub, and generous backyard with flat access to the lake and dock. Heading to the upper level via the floating steel staircase, you find three bedrooms, plus an expansive media/recreation space with wet bar. The primary wing utilizes the entire front of the home, with views of the lake, private patio, and a simply sensational ensuite complete with dry sauna, steam shower, and large walk-in closet with custom millwork. There are two additional bedrooms, each with dedicated ensuite. The guest home features a four car drive-through garage (currently set up as a gym), with the upper level consisting of a gorgeously appointed 2 bedroom guest home, with 1,180 sqft of living space, and p...
