2767 EDGEWATER Crescent Prince George British Columbia

\$899,000

40.01

New home in The Banks subdivision. This home backs onto greenbelt then onto Edgewood Elementary School. Location is very desirable. Watch the sunset from your living room. This micro climate makes winter go by quickly. All day sun and gravel soils makes this area warmer than most areas in Prince George. With three bedrooms up and a 2 bedroom suite this home will not last long. (id:6769)
